SOMAIYA VIDYAVIHAR (SVV)

Padmabhushan Late Shri Karamshi Jethabai Somaiya, an Entrepreneur, Philanthropist and a Visionary, who firmly believed that modern education has to have its roots in strong values, established Somaiya Vidyavihar (SVV) in 1959. This underlying theme and legacy of SVV was continued and strengthened by the late Dr. S.K. Somaiya and the legacy is being taken forward by Shri Samir Somaiya — a Cornell University & Harvard alumnus.

SVV aims to provide for its students, meaningful and relevant education that emphasizes both the liberal and professional aspects of higher education, steeped in rich Indian culture and heritage and rooted in universal religious philosophies of the world.

The SVV campus comprises of 36 individual institutes dedicated in the area of Liberal Arts, Sciences, Management, Humanities, Philosophies and Social Sciences as important aspects of scholarship, and is spread across a 60-acre complex in Vidyavihar, in north central area of Mumbai and a 90-acre complex in Sion, in the heart of Mumbai. SVV has over 38,000 students and 1,500 teaching staff. Majority of its colleges are affiliated to the University of Mumbai. The trust also runs autonomous post-graduate courses, vocational training courses, and high schools within the campus as well as in rural India.

Within SVV lies Somaiya Vidyavihar University (SVU) which provides educational opportunities to all qualified students to discover and disseminate knowledge in order to serve communities around the world. SVU firmly believes in imparting education that teaches 'how to live' and 'how to make a living'.

The guiding principle for SVU like SVV is 'Knowledge Alone Liberates'.

PADMABHUSHAN SHRI K.J SOMAIYA
(1912-1999)

***There is no religion
other than humanity***

PRESIDENT'S MESSAGE

Our Founder, Padmabhushan Shri K. J. Somaiya was deeply influenced by Gandhiji, and dedicated himself to nation building. He founded Somaiya Vidyavihar on the 9th of September 1959. He later founded the Girivanvasi pragati Mandal, the K. J. Somaiya Medical Trust, Girivanvasi Education Trust and sister institutions to make great citizens of India and the World. In the words of Swami Vivekananda, "We want that education by which character is formed, strength of mind is increased. the intellect expanded and by which one can stand on one's feet." We have now grown into a multi-disciplinary and multi-campus education institution with over 1500 faculty, and 38,000 students.

Our motto is: **ज्ञानादेवतुकैवल्यम्** || Knowledge alone liberates. Liberates from poverty, from Hunger. Also, to liberate one from the attachments that binds us to small-mindedness. Knowledge also provides opportunity to make the life lived more meaningful. In the service of one's family, one's community, one's samaj, and indeed, the world. Bearing in mind that there is no religion other than the life lived in the service of humanity, **नमानुषात्परोधर्म** || Our education in any subject will reflect its timeless fundamentals, its current context, and applications. There is so much scientific discovery taking place at the intersection of fields of biology, computing, medicine, the social sciences and everywhere else. We will provide students and faculty with an environment to engage this world, to discover new truths, make new applications to create and share knowledge. Our education will also be experiential. With projects that are 'real' and those that complement the learning inside the classroom. Our students and faculty will be at the cutting edge of change, to incubate companies, to create NGOs, and pursue any field of their passion. Our education will also be holistic. Sports and physical exercise must be a firm part of the curriculum. For students to develop a love for sports, for recreation, for health, for teamwork, for competition. Our education will also instil an appreciation for art and culture. In the Bhagavad Gita, Arjun asks Krishna how is one to control one's mind that is as fleeting as the wind. Krishna responds that it can only be done through practice and discipline. We will strive to teach our students to learn to stay calm in our turbulent world. And our education will also include the ancient Indian tradition, its culture, its depth, and its knowledge. We must keep the connection with our mother tongue and our languages. Languages are storehouses of culture, and the loss of a language takes with it much learning, stored through it over the ages. Finally, our education will help students lead a full life, to fall in love with life. Our dream is to build a world class research and teaching institution that is global in the reach of its ideas, and universal in its service. Welcome to our community.

SHRI SAMIR SOMAIYA

We need to grow, to build up our human society in a just way. Thus, development should reach to all sectors.

PROVOST'S MESSAGE

I have great pleasure in welcoming the prospective management education aspirants to the Somaiya Vidyavihar University (SVU), Mumbai for their studies in the University's KJ Somaiya Institute of Management Studies and Research (SIMSR).

The subject of Management as an academic and professional discipline has been undergoing revolutionary changes during the last few decades. Appropriate knowledge and skills are necessary to manage the rapid changing times and technologies in a globalized and interconnected world. We are in an era when knowledge is expanding at an unprecedented rate. Mastering theoretical, experimental and practical management and business skills through effective education programmes is indispensable for developing core competencies and for giving the students a competitive edge. For maximization of the opportunities for the cost effective management education and training, globalization, localization, contextualization and individualization of curriculum and transactions are necessary.

Bearing these basic principles and dynamics challenges, we at SIMSR have been at the forefront of quality and responsible management education in the country. Our Postgraduates Diploma in Management (PGDM) programmes are designed, transacted and delivered following internationally renowned patterns evolving the best practices in business and management education. Amongst our alumni are top-ranking and highly-placed executives all over the world. Highly qualified and experienced faculty, state-of-the-art infrastructure, the business and industry environment of the financial capital of the country, and a serene, beautiful green campus with several sporting facilities and other educational, research and innovation institutions are the hallmarks of SIMSR and the Vidyavihar campus of the University. Our academic credentials, achievements, national and international accreditations and recognitions put us among the top-most institutions in the country. I am extremely glad to welcome you as a student of this premier management institute in the Somaiya Vidyavihar University. Once you are here, I am sure you will enjoy the best of teaching and learning, research and community experiences in your student life.

PROF. (Dr.) V.N. RAJASEKHARAN PILLAI
PROVOST - SOMAIYA VIDYAVIHAR

DIRECTOR'S MESSAGE

Ready - For the New World

"It's not the strongest of the species that survives, nor the most intelligent that survives. It is the one that is most adaptable to change"
- Charles Darwin.

A report by McKinsey Global Institute from September 2019 with the title, "Future of Asia" states that Asia is increasingly becoming the world's centre and by the year 2040, Asia will account for 52 percent of global GDP in terms of purchasing power parity and 54 percent of global consumption. These projected data figures represent incredible opportunities and challenges related to growth, disruption and innovation.

In the new world, technology and traditions will play a key role in driving change and integrating different aspects of trade and society. This requires professionally trained managers with expertise in technology enabled processes and softer aspects of empathy and collaborative spirit.

K J Somaiya Institute of Management Studies & Research (SIMSR), located in the heart of Mumbai in a beautifully landscaped campus and now part of Somaiya Vidyavihar University (SVU), is in the forefront as a leading business school in India, capable of providing the best inputs to young budding managers.

From Bloomberg labs to holistic self-management, analytics to leadership labs, creative strategy building to risk management, cross-cultural management to digital communication, international diplomacy and so on, all subjects are covered in depth. A fully residential campus with world-class sports facilities and opportunities for experiential learning complete the pedagogical range.

The institute has grown in the past 38 years as offering sector-specific MBA programmes and executive education for reskilling of corporate managers. We are now offering for admissions the PGDM-28th BATCH / PGD-M(IB)-14th BATCH / PGDM(RM)- 14th BATCH / PGDM(FS)-10th BATCH / PGDM(COMM)-9th BATCH / PGD-M(HCM)-3rd BATCH, for Batch 2020 - 22.

Our 10,000 + alumni base, more than 170 + recruiters on campus are proof of our goodwill and great reputation among all our stakeholders in India and abroad.

I welcome you to our Institute to avail of the opportunity of best-in-class management education and develop an excellent personal and professional growth through SIMSR.

PROF (Dr.) MONICA KHANNA
DIRECTOR - SIMSR

ACCREDITATION

Objectives:

The programme aims to provide a comprehensive coverage of the various aspects of Indian Financial System comprising of Markets, Institutions, Products and Services. The course also provides insights into niche areas such as Financial Modelling, Commodity Markets, Financial Inclusion, and Fixed Income Securities Services in Financial Markets.

Coming from an Economics background it was only a matter of time before I pursued masters in finance and PGDM-FS at SIMSR gave me the perfect opportunity to live my dream. The curriculum covers aspects of the financial world from the basics to the complex world of financial markets. The excellent pedagogy and brilliant infrastructure in the form of Bloomberg Lab facilitate discussions of financial theories' application in the real world. The rich diverse peer learning experience not only completes the journey and turns us into corporate-ready professionals but also makes the 2 years stay at SIMSR memorable.

Sreshtha Jain
PGDM – FS (2018 – 2020)

PROGRAMME HIGHLIGHTS

Post Graduate Diploma in Management - Communications 9th Batch PGDM COMM 2020-22

Learning Goals:

1. Managing Integrated Internal and External Communication
2. Design Integrated Marketing Communication Plan

Open to students from India and abroad including NRIs, FN, PIOs and CIWGC
Intake 60

Programme Specific Subjects

- Celebrity & Sports Marketing
- Introduction to Media and Media Analytics
- Public Relations and Corporate Communications
- Account and Brand Planning

Objectives:

The programme focuses on understanding, designing and managing marketing communications both internal as well as external. The programme helps in gaining exposure in niche areas such as Digital Marketing, Marketing, Media Programming and various other cross cultural aspects of communications.

PGDM Communications is a specially designed course that has helped me learn all forms of communication that are needed to support a brand, its products or services. The curriculum combines the basics of Finance, HR and Operations and provides unique insights into the growing facets of marketing with an in-depth study of the specialisation. Studying with a class full of marketing enthusiasts helps gather diverse viewpoints especially during case discussions where we use Harvard and Ivey cases. Moreover, the committees, live projects and guest lectures make these 2 years a journey of a lifetime.

Lakshya Sajnani
PGDM – COMM (2018 – 2020)

PROGRAMME HIGHLIGHTS

Post Graduate Diploma in Management - Healthcare Management 3rd Batch PGDM HCM 2020-22

Learning Goals:

1. Integrative Thinking in Healthcare
2. Understanding Global & Indian Healthcare Systems

- Demographic Analysis & Policy for Healthcare

1. Profile based selection
2. Candidates with a science background will be preferred

Objectives:

The programme enables the students with relevant managerial and technical skills to tackle the challenges faced by the healthcare industry, by equipping them with the tactics to take full advantage of the ever growing healthcare sector. The programme also helps the students to update their knowledge about the changing business environment of healthcare sector so that they can apply the different management techniques and fundamental concepts at the organizational level.

My search for the perfect institute, providing my choice of Post Graduation Programme was complete when I got to know about SIMSR! It has given me numerous opportunities to learn and grow with the diverse culture around. Talking specifically about Healthcare Management here at SIMSR, I witnessed a perfect balance of industrial knowledge and managerial skill sets that have helped me to become ready for the corporate world out there. Intricacies of the Global, as well as Indian Healthcare sector, are explained well with the specially designed curriculum.

Suparna Kukreja
