Shri Samir Somaiya

Chancellor

Somaiya Vidyavihar University

Welcome to Somaiya Vidyavihar University. We are a place where you can explore new possibilities, pursue your passion, and above all, find yourself.

Our motto is: ज्ञानादेव तु कैवल्यम् | Knowledge alone liberates. Knowledge provides opportunity. To make the life lived more meaningful. In the service of one's family, one's community, one's समाज, country, and indeed the world.

The education we provide will reflect its timeless fundamentals, its current context, and applications. We will strive to provide you with an environment to engage this world, to discover new truths, make new applications to create and share knowledge. Our education will also be experiential and holistic. With projects that are 'real' and those that complement the learning inside the classroom. We want you to be at the cutting edge of change, to incubate companies, to create NGOs, and pursue any field of your passion. Our education will also instill an appreciation for art and culture, the Indian tradition, and will include sports as a part of the campus experience. We want each of you to lead a full life, to fall in love with life.

Our dream is to build a world class research and teaching institution, that is global in the reach of its ideas, and universal in its service. I invite you to come and be a part of our community and to further this mission.

Prof. V. N. Rajasekharan Pillai
Vice Chancellor
Somaiya Vidyavihar University

I have great pleasure in welcoming the prospective management education aspirants to the Somaiya Vidyavihar University, Mumbai for their studies in the university's K J Somaiya Institute of Management. The subject of Management as an academic and professional discipline has been undergoing revolutionary changes during the last few decades. Appropriate knowledge and skills are necessary to manage the rapid changing times and technologies in a globalized and interconnected world. We are in an era when knowledge is expanding at an unprecedented rate. Mastering theoretical, experimental and practical management and business skills through effective education programmes is indispensable for developing core competencies and for giving the students a competitive edge. For maximisation of the opportunities for the cost-effective management education and training, globalisation, localisation, contextualisation and individualisation of curriculum and transactions are necessary.

Bearing these basic principles and dynamic challenges, we at K J Somaiya Institute of Management have been at the forefront of quality and responsible management education in the country. Our Master of Business Administration (MBA) programmes are designed, transacted and delivered following internationally renowned patterns evolving the best practices in business and management education. Amongst our alumni are top-ranking and highly-placed executives all over the world. Highly qualified and experienced faculty, state-of-the-art infrastructure, the business and industry environment of the financial capital of the country, and a serene, beautiful green campus with several sporting facilities and other educational, research and innovation institutions are the hallmarks of K J Somaiya Institute of Management and the Vidyavihar campus of the University. Our academic credentials, achievements, national and international accreditations and recognitions put us among the top-most institutions in the country. I am extremely glad to welcome you as a student of this premier management institute in the Somaiya Vidyavihar University. Once you are here, I am sure you will enjoy the best of teaching and learning, research and community experiences in your student life.

Prof. (Dr.) Monica Khanna

Director - K J Somaiya Institute Of Management
Dean - Faculty Of Management Studies,
Somaiya Vidyavihar University

K J Somaiya Institute of Management, which is ranked among the top 25 business schools in India and top 10 private business schools, is pleased to announce that it has become a constituent college under the Somaiya Vidyavihar University (SVU) since Aug 2019 (<https://university.somaiya.edu/en>) and will continue its legacy of offering world class management education and allied areas.

The institute campus is located in a lush green 50 acres campus in the heart of Mumbai and offers Doctoral Programme in Business Management, MBA programmes that are full time and part time, sector-specific MBA programmes, Exec MBA and MCA programme.

The key to developing competitive advantage in today's fast-changing world and getting ready for Industry 4.0 is through continuous knowledge upgradation and reskilling. The MCA programme being offered by the institute have courses and curriculum that are curated by a dedicated and illustrious Board of Studies for the MCA programme.

The classes which are normally held inside our beautiful campus, are being held online at the moment due to the pandemic lockdown, ensuring that there is no academic loss to the students. The pedagogy is a blend of classroom teaching, case studies, projects, assignments, field visits and experiential learning opportunities. The institute has invested a lot in terms of time and efforts in its pedagogy by installing latest softwares, Bloomberg Lab, Media Analytics Lab, Simulation Softwares etc in its computer labs. Apart from this, a library that consists of around 90,000 + books, several e databases for conducting research, sports facilities, 24*7 medical facilities, opportunities to learn foreign languages, various student committees and hobby clubs etc - complete the pedagogical requirements for holistic development and delivering excellence.

Our commitment to excellence is reinforced through our quality accreditations like the ISO 9001 :2015 and our journey towards the AACSB accreditation for which the institute has cleared its third update.

The proof of our excellence lies in the alumni who have completed their MCA programme from K J Somaiya Institute of Management and occupy leading positions in the industry in India and abroad. Many of the alumni are also successful entrepreneurs.

An investment in the MCA degree programme from K J Somaiya Institute of Management will fetch you great dividends in your personal and professional life.

I welcome you wholeheartedly to our Institute for this wonderful learning opportunity to enhance your knowledge and skills, and look forward to adding value into your lives.

"Live college life to the fullest". This Statement never made much sense to me before, but now I can't deny the truth. K J Somaiya Institute of Management is my first campus experience and it has help me evolve myself so much. Recalling it today the nostalgia turns up my imagination to some workplace and not college. Not that I'm complaining but campus life is different. The institute has been a great contributor towards the development of my career. The programme and its curriculum alongside tech fests, guest lectures, webinars, seminars, committees, club and various aspect add a lot to one's self build up. To add up on your learning experience they provide perfect blend of strong facultymembers comprising academic gurus, industry experts and alumni networks. Rich peer to peer learning combined with opportunities of learning new languages, applications and constant guidance from professors is helping me become industry ready.

Annual Conference organized by Area - Data Science & Technology of K J Somaiya Institute of Management

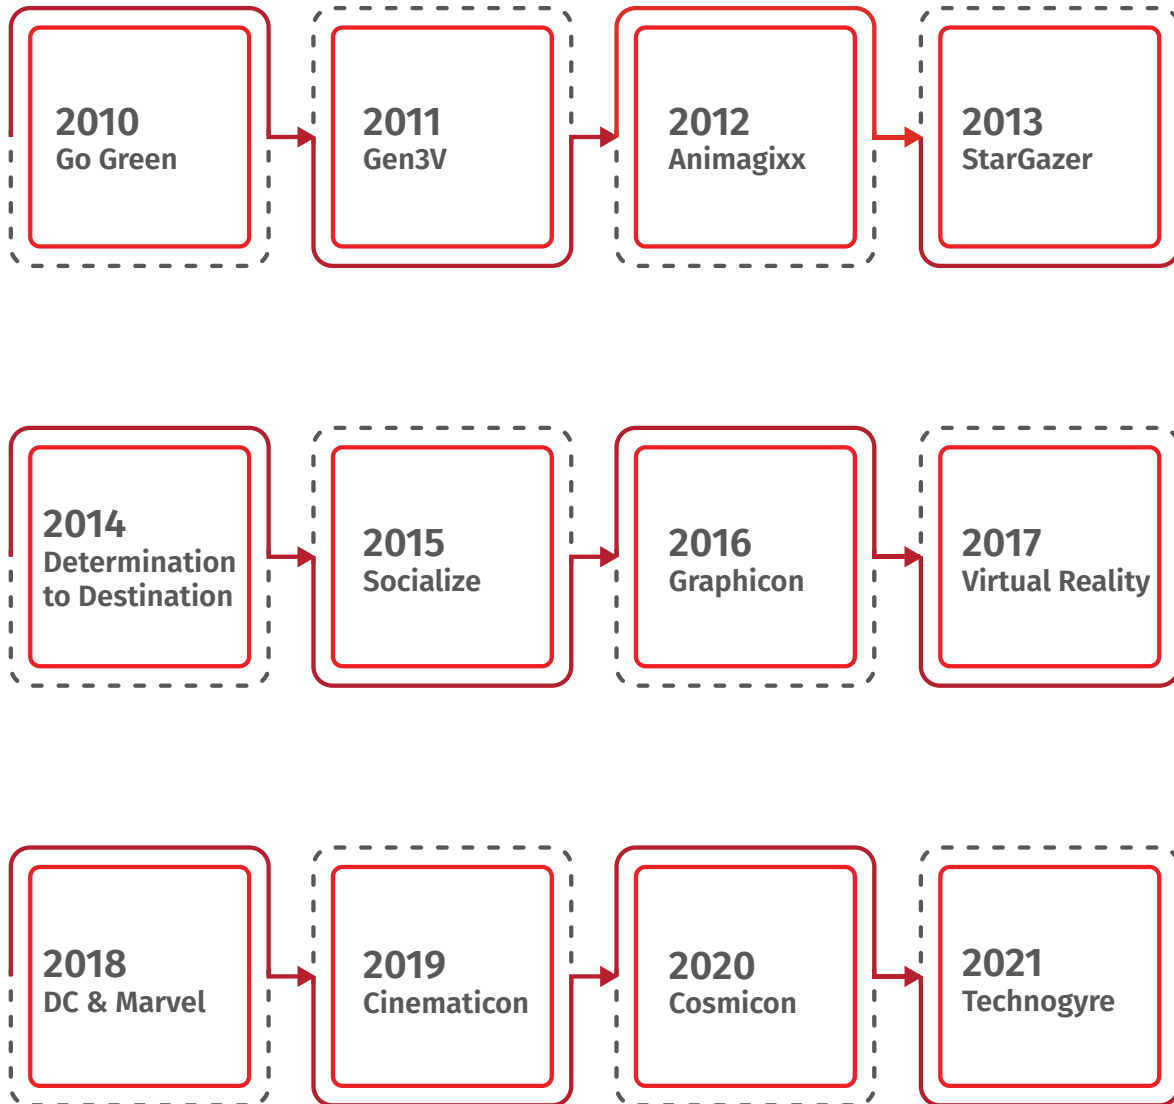

K J Somaiya Institute of Management organized the 7th Somaiya International Conference on Technology and Information Management (SICTIM '21) recently, themed 'Digital Disruption and Knowledge Society'. The conference was entirely managed on an online forum following the precautionary norms of COVID-19. A day prior to the conference, a pre-conference online workshop on 'Digital Disruption & Innovation - Unlocking digitally-enabled growth potentials' by Dr. Klaus North, Professor - International Management, Wiesbaden Business School, Germany was organized.

The inaugural ceremony saw Dr. Klaus North as the Keynote Speaker, and ArunShekhar, CEO, Nucsoft as the Guest of Honour. The institute's Director, Dr. Monica Khanna, also addressed the gathering, and followed by the E-Journal release for this year.

Further, a panel discussion was held on the topic 'Disruption in Education - The Academia- Corporate Role' by Dr. Klaus North, ArunShekhar and Dr. Monica Khanna, wherein Dr. D G Jha, Area Chairperson – Data Science & Technology, K J Somaiya Institute of Management was the moderator for the discussion. The conference concluded with the announcement of the best paper awards

Beyond Academics

The Students of MCA conceptualise, plan and execute ICON, a techno-management inter-institute event with different trending themes every year.

ICON 2021

The current COVID times are testing times but one thing that has helped us all connected is Technology. The schools and colleges look deserted, the usual euphoria about college festivals are missing but the enthusiasm to keep going is driving the Millennials to move forward despite all the hurdles. The students of K J Somaiya continue to remain motivated and organise all the events using the digital platform with precision.

The MCA students of Data Science and Technology area successfully conducted its flagship inter-collegiate ICON'2021 on Feb 5-7, 2021. The 14th edition had an apt theme **Technogyre**- drifting towards a swirl of scientific advancement.

Technology creates wonder and there always a positive side to look at, the motivated students created a campaign that attracted more than 300 participants from across the country. With travel restriction on, participant connected over zoom.

On Day 1 of ICON, 'CODEICON 2.0' was conducted; CODEICON 2.0 was the mega event of ICON, a hackathon arranged to create an excellent opportunity to enhance the participant's skills and also earn the cash prizes. The event was conducted in association with General Mills, one of the world's largest food company as the sponsors. The team comprising of executives from General Mills and Team ICON saw 34 teams comprising of 120 participants cracking codes and engaging themselves in generating the solutions.

The main event beginning with the virtual inauguration was held Feb 6-7, 2021. Its' a tradition of the B-School to invite esteemed Alumni as Chief Guest, this year Yajush Mishra, MCSA batch 2005-07, founder of Global Solution graced the occasion and addressed the students on the importance of events such as ICON that helps in shaping the career ahead. Yajush, himself was an active member of the organising team during ICON' YY. One of the most beautiful aspect of the inauguration was virtual lighting of lamp – the auspicious beginning to an event. Dean & Director's presence and the welcome address set the tone for the event.

The two day Tech-Fest saw several events such as Chess, Poster making, Market Marauders, Enigma, Quizzard, CS-GO. Valorant, the new and upcoming FPS game - loved by everyone, IPL Auction, Code Curbs, and Clash Royale. All these vents collectively had over 100+ students participating with zeal and winning away the cash prizes and goodies associated with it.

The event ended with the valedictory function. Mr. Arijit Mukherjee (Data Head of Technology, General Mills India) graced the occasion as Chief Guest. Prof (Dr) D G Jha – Area Chairpersons, Dr Bharat VW and Prof SudarshanSirsat (Faculty Chairperson – ICON 2021), faculties from the Department, Students Organising Teams and all the participants from across the country were present in full colours. The winners of the events were announced. The cheers continues- over to ICON 2022
