

Abstract Formatting Guidelines

Formatting guidelines must be followed rigorously, since papers will not be typeset. Authors are advised to print this sample manuscript and use it as a reference while preparing their own extended abstract, to ensure all guidelines are met.

The extended abstract should not be longer than 1500 words including the title page, main body, charts, tables and figures. References are not included in the word limit.

The extended abstract should be 1.5 line spacing throughout. The font to be used for the abstract should be Times New Roman 12-point font. The page size should be A4 formatting. 2.54 cm margins should be used on all sides (left, right, top, bottom). Endnotes, Headers or Footers should not be used.

References must be in American Psychological Association (APA) style and carefully checked for completeness, accuracy and consistency.

Please fill in relevant information under suggested headings. Kindly use only those which are applicable.

Kindly note, these guidelines are only for the extended abstract. for full length paper author should follow the submission guideline for journals
