K J Somaiya Institute of Management

Vision/Mission/Objective

- **Vision:**

- To become a center of learning for the students of K J Somaiya Institute of Management, providing Networking opportunities & exposure for Leadership Development.

- **Mission:**

- To create leaders out of students by driving initiatives and projects that create the change we want to see, enabling experiential learning by engaging with industry experts and build an elite network of Yi fellows to work with in the future.
- The **objective** is to create a bridge, a platform for the students to work in cross-functional teams with a broad objective of enhancing their leadership skills and giving back to the nation. In the process, the students work in leadership roles while operationalizing projects that are based on self-development, skill building, community service and nation building.
