

FORSE- Forum Of Operations Research and Supply Chain Enthusiasts

K J Somaiya Institute of Management

Vision & Mission

■ Vision

- To help provide insights to our fellow colleagues about the various application of operations in various kinds of business.
- To provide Operations and Supply Chain Management enthusiasts with a platform to share and gain knowledge
- To guide and provide support to juniors in their placements and academics through out the year with Buddy System

■ Mission

- To become a thought leader in Operations and Supply Chain Management and Research, and to produce managers who prove to be an asset in the chosen organization.

Roles & Responsibilities

- We at FORSE look for innovative ways to promote knowledge related to Operations, Supply Chain and Business Management within and beyond campus
- Momentum, quarterly magazine released by FORSE, is a source for insightful articles highlighting key issues and recent trends in industry
- KSS and Research vertical is dedicated towards promoting research and spreading knowledge through interactive sessions and initiatives like Opstionary and FORSight
- FORSEdu, is the YouTube channel of FORSE, posts intuitive videos every week making complex Business management concepts simpler for audience across the Globe
- FORSE also curates and develops self coded simulation games making learning fun and engaging for management professionals

Activities

- **Lean Six Sigma Greenbelt** Certification Program
- **Intern Diaries** – Internship Experience Sharing Session
- **Sanrachana** – National level Case Study Competition for which case is curated in-house and winners are rewarded with cash as well as goodies
- **Simulation Game** – We make our own simulation games in house, self ideated and coded by FORSE Members
