K J Somaiya Institute of Management

Vision

To see every member evolve as an eminent leader and develop necessary soft skills to excel in the corporate world

Mission

Our mission is to facilitate an understanding of the HR Stream through various demonstrations, events and activities.

This in turn grooms our students to become more effective MBA Students and responsible potential corporate employees.

Roles & Responsibilities

- Providing students with the opportunity of writing case studies based on their learnings on various industry aspects.
- Focusing more on bringing quality knowledge to students by conducting events based on course related and Industry centric topics.
- Strong association with corporate leaders and bring them on campus for better understanding about the industry dynamics.
- Provide students with various workshop facilities in the domain of Cultural development and leadership enhancement opportunities.
- Provide students with Mock Group Discussions to assist them in their preparation for final and summer placements.

- **Transcend** : Mock GD Sessions for First year & Second year students to equip the student community for the upcoming placement season. Followed by an Expert Speaker session on how to ace your GD & PI.
- **Case Writing Competition**: A competition wherein participants from PAN India are invited to write industry backed case studies and develop the skill of case writing
- **Crescendo**: A event with varying themes every year, organised and managed by the junior Team of Humanist. Previously utilised themes include quizzes, debates, moviemaking, and more.

Activities

- **CDMI** : CDMI, Center for Diversity Management and Inclusion, hosts a panel discussion with industry stalwarts of topics of diversity and inclusion in the workplace and society at large. It is conducted by the HR Faculty and facilitated by Team Humanist.
- **International HR Conference**: The HR Conference is a two day event wherein various dignitaries, industry experts are invited to showcase their findings and research on a pre-decided topic. It's a period of intellectual discussion, debate, participation and learning
