

Placement Committee

K J Somaiya Institute of Management

Vision/Mission/Objective

The Placement Committee and the Career Management & Corporate Relations (CMCR) Team work in tandem to seamlessly integrate the knowledge imparted in the classroom to actual knowledge required to survive in corporate culture. Moreover, it is our unsaid objective to achieve 100% placements year after year to successfully give students the corporate opportunities they're seeking.

Having fulfilled these aspirations, following are a few long-term goals that we plan to achieve:

- Bridge the gap between finest corporate houses and corporate learning
- Associate with Major International Houses and engage them with various on-campus activities

We have a short-term mission that we strive to forward year after year:

- Act as an interface between the corporate world and the students
- Facilitate a medium to impart industry knowledge through corporate guest lectures
- Provide assistance to companies as well as students to find their best fit for the Summer Internship Program and Final Placements

Roles & Responsibilities

- Responsible for maintaining internal and external balance related to Corporate Activities on campus
- Overseeing smooth facilitation of various Campus Engagement activities and placement drives
- Campus-corporate liaison for companies across various sectors
- Organizing and supervising various activities such as workshops, soft skill training sessions, competitions and guest lectures for the students in order to make them industry ready
- Coordinating with students and companies for recruitment activities pertaining to both summer internships and final placements

Guest Lecture and Webinars

Senior Leaders share industry insights and knowledge through guest lectures.

Competitions

Corporates engage with students through B-plan and Case Study competitions.

Corporate Projects

Students work on part-time basis. The project duration may vary as per company requirements.

Summer Internships

Full-time internships from the month of May to June help our students gain a practical exposure

Final Placements

Build a fruitful and win-win relationship through permanent employment

Activities

- 321 recruiters were hosted during the placement season 2019-2020 for both summer and final placements. 79 out of these were visiting the institute for the first time.
- Various corporate competitions were hosted for the first year and second year students across all programs in K J Somaiya Institute of Management.
- The committee successfully achieved redeployment of internship opportunities for those students who had earlier been offered on-field roles during the summer in 2020.
- The Placement Committee successfully organized 'E-volve', a virtual knowledge sharing series in which senior leaders from eminent firms were hosted to interact with the students.
