

QUANTINUUM

The Quants and Analytics Committee,
K J Somaiya Institute of Management

VISION & MISSION

OUR VISION

- To enable students becoming a Data Analyst and explore opportunities to use analytics for business operations

OUR MISSION

- To disseminate knowledge of Data Analytics and Quantitative methodologies among fellow students by conducting Workshops, Knowledge Sharing Sessions, Events, Live Projects and various other activities.

ROLES & RESPONSIBILITIES

Quantinum is the Quants and Analytics committee of K J Somaiya Institute of Management. It aims to empower students and professionals alike to gain knowledge of Data Analytics & Quantitative methodologies which, in turn, helps them to make good and rational decisions as future managers.

Through various intellectual events, workshops, guest lectures, live projects and other activities, we enable individuals to become inquisitive, analytical, data savvy and creative.

ACTIVITIES

Mock Placement:

Aimed at providing platform for quantitative aptitude training before placements

Quantiz:

This event is aimed at testing student's critical thinking and analytical skills through various rounds

Quantambola:

Students are tested on math acumen and general awareness in a fun competitive environment

Quantinum Annual Day:

This is the flagship event of Quantinum which includes a national level competition based on analytics

ACTIVITIES

Newsletter:

“Quriosity” is the newsletter released monthly covering a wide range of topics on the latest trends in the field of analytics

Guest Lectures:

Guest lectures in the field of analytics and data science from industry experts

Workshops:

Workshops on different tools and techniques to keep the students updated with technology and becoming industry ready
